All Rights Reserved Map Of the Privacy Policy Order Of Professional Web Development policy and web management system by Adapta Interactive page 3 Effective immediately, access to Read Naturally Basic and Deluxe Technical Support has been terminated for Reading Naturally Software Edition (SE). This includes all versions of Read Naturally SE (Network Plus, district server licenses, school server licenses and standalone). This notification does not contain any changes to the support for Read Naturally Live. Note: Your product may continue to work for you, but basic or luxurious technical support is not available and software updates will not occur. The Read Naturally website still contains many resources to help with Read Naturally Software Edition. That service termination means Read Naturally stopped phone technical support, email technical support, and all software updates for Reading Naturally Software Edition. If you're not using technical support and are satisfied with the current version of Read Naturally Software Edition, you can continue to use it. If you've been affected by discontinuation support and want to keep access to live technical support and software updates, you'll need to switch to Read Naturally Live as soon as possible. Find out more about Read Naturally Live Trisha K Martinez September 27, 2020 This program was the only spelling program that helped my dyslexic daughter learn to write. I feel that it has a much more scaffold approach than other spelling programs, since the first event has a student just choosing... Cheryl Craycroft August 26, 2020 I gave an assessment of the placement today for almost the first time to a new student of our program. I shared my screen. It was so easy. I was able to put it in less than 10 minutes. With extra time, I gave the student and his Nanna ... Susan Lemeux June 2, 2020 Excellent program. Children like to use it. They see their progress in fluency and understanding skills. Katie Green February 18, 2020 Read Naturally, this is an amazing tool. I used it as a bridge to literacy for both homeless children with limited education and adult English learners. This meets the students where they are in... Tammy Schmidt January 3, 2020 Love, Love, Love this program to help build #39; Fluency. All stories are attractive to students. This technology is simple for both students and teachers. I've seen excellent results over the last 8 years with our 2nd... Anita Thorpe October 15, 2019 I believe in this program. I saw students who were mostly bloom into avid readers using this program. Students love it... they can't wait to get on Read Live! Melanie Miller Sep 20, 2019 Students I worked with in a retractable session showed improvement The language arts teacher recently said, I didn't use the program, but I know it works because they all showed noticeable improvement! Please keep doing... Amy Lamson Dec 6, 2018 Daily Use Of Read Naturally made all my students improve in reading fluency, understanding and writing. I like that the passages are narrative and cover class-level themes. I've been #39; this program for years and it's never... Laurelle Lonze Stuart May 29, 2018 This program greatly increased the fluency, understanding and writing abilities of my ELL students. Their MAP scores rose 15 points in the trimester. It provides greater individualization. Elizabeth Bill March 15, 2018 Read Naturally, was a wonderful intervention tool that helped build fluency and trust. It was amazing to see students grow up and see the pride they have in themselves even after a few short weeks of reading with the program...
